Construction Workers/Steel Erectors/Carpenters

Cedar Falls Building Systems is seeking highly motivated Pre-engineered Steel Erectors and Carpenters, to join our crews fulltime on local projects throughout Northwest Wisconsin.

We offer competitive wages, and opportunities for advancement for both entry level and experienced tradesmen in a drug free, Safety oriented, workplace.

Job Duties Include:

- Read and interpret blue prints, erection and shop drawings, to determine materials required and plan the sequence of tasks.
- Safely unload, stage, and prepare all types of materials for Installation or assembly.
- Rig and hoist materials and components into place, using proper hand signals to guide telehandler or crane operators.
- Work from and Safely operate elevated work platforms.
- Using proper tools, such as spud wrenches, sleever bars, drift and bull pins, align, connect, and brace components by bolting, screwing, riveting or welding.
- Install fiberglass insulation systems, metal cladding, roof systems and associated trims and accessories.
- Accurately place and install, windows, doors, and mechanical openings in the building envelope.

Essential Skills:

- Dependable and self-motivated, with a strong work ethic, and a desire to constantly demonstrate quality workmanship.
- Acute awareness of personal safety, and the safety of others, who may be in the area.
- Strict adherence to company safety program and OSHA/MSHA rules.
- Ability to work at height, and under adverse field conditions.
- Ability to understand and follow both written and oral instructions and effectively communicate with others.

Requirements:

- Must have and maintain a valid driver’s license.
- Must be physically able to lift heavy objects, walk or stand for long periods of time and perform strenuous labor.
- Existing certifications for equipment operation, welding or Construction Safety training are a plus.

Compensation:

- Pay based on skills and experience.
- Paid Health, Dental, Vision and Life Insurance,
- Paid Holidays.
- Paid Vacation.
- Paid Training.
